Mr. James F. Ahearne
Chairman, US Nuclear Regulatory Commission
1717 H Street, NW
Washington, DC 20555

Dear Mr. Ahearne:

I am in favor of restarting Three Mile Island Unit 1 for full operation. Having heard both sides of the argument, I regard nuclear power as safe, inexpensive and necessary. Therefore, TMI-1 needs to be restarted without further delay.

This letter is sent with reference to the hearing under Docket Number 50-289SP, TMI-Unit 1, Middletown, PA.

With very best wishes, I am

Yours very truly,
