Response to IE Inspection No. 80-31

Dear Sir:

Inspection No. 80-31, dated December 11, 1980, contained one item of non-compliance. Boston Edison Company's response to that item is presented as an attachment to this letter. Should you have any further questions or concerns on this subject, please do not hesitate to contact us.

Pursuant to Section 2.790(d) of 10 CFR, Part 2, we respectfully request withholding the information provided in the Attachment A to this letter from public inspection. Withholding from public inspection does not affect the right, if any, of persons properly and directly concerned with the project to inspect the information.

Very truly yours,

A. V. Morisi
