Gentlemen:

This refers to the meeting L. M. Mills and others of your staff conducted in Region II Office on November 19, 1980, at our request. This meeting related to activities authorized by NRC Construction Permit No. CPPR-73. The subjects discussed are detailed in the enclosed inspection report.

Our concerns about the effectiveness of your management controls were expressed to you at the meeting and your positive response to our concerns is appreciated.

It is our opinion that this meeting was beneficial and has provided for a better understanding of inspection and enforcement issues. In accordance with Section 2.790 of NRC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, a copy of this letter and enclosure will be placed in the NRC's Public Document Room.

Should you have any questions concerning this matter, we will be pleased to discuss them.

Sincerely,

James P. O'Reilly
Director
