Ms. Nancy T. MacDonald  
Citizens' Safety Committee  
670 Sagamore Road  
Rye, New Hampshire 03870

Dear Ms. MacDonald:

This confirms your recent telephone conversation with our Mr. Thomas McKenna wherein it was agreed that the NRC would participate in the meeting to be held at the Winnacunnet High School, Hampton, New Hampshire on March 19, 1981 at 7:30 P.M.

It is difficult at this time to commit Mr. Grimes or Mr. McKenna as you requested; however, please be assured that an NRC representative will be available to discuss the NRC role and regulations as they relate to emergency preparedness.

It is indeed a pleasure for us to have the opportunity to participate in a public forum where such an important issue as emergency response planning is to be discussed. Thank you for your invitation. If you have any further questions, please contact Mr. McKenna (301-497-7939).

Sincerely,
