Subject: Schedule Clarification of Commitments for TMI
Action Plan Items II.E.1.2 and II.F.2.1

Dear Sir:

In response to your staff's request, this letter is to inform you of a change in schedule for two (2) TMI Action Plan items. These items are discussed below.

In Reference (b), we indicated that for Item II.E.1.2 - AFWS Flow Indication, we would submit the requested information by April 1, 1981. This information will now be submitted by March 31, 1981.

Also in Reference (b), we indicated that for Item II.F.2.1 - Noble Gas Effluent Monitor, design details would not be available until June 1, 1981 because of the unavailability of vendor details at that time. These details will be available by March 31, 1981.

We trust this information is satisfactory; however, if you have any questions, please contact us.

Very truly yours,

YANKEE ATOMIC ELECTRIC COMPANY
