Ms. Betty Wright  
U.S. Nuclear Regulatory Commission  
7735 Old Georgetown Road  
Bethesda Maryland

XSNM01641  
11000985

Dear Ms. Wright:

Please cancel our request for an export license, dated 12/6/79, for a shipment of special nuclear material to Pakistan. The customer has dropped his request for this material, and has reduced his order now to only by-product material as generally licensed.

Thank you for your co-operation in this matter.

Sincerely Yours,

ISOTOPE PRODUCTS LABORATORIES
