Gentlemen:

A copy of Investigation Report No. 03012820/80-01 regarding an alleged byproduct material theft from Central DuPage Hospital was recently forwarded to your attention.

In Section 29 of that report, a written statement by Nunzio DeSantis (which was inadvertently omitted) is referred to as Exhibit K. Section 32 of the report and an attached exhibit indicate Ronald Storey's statement as Exhibit K. This is in error. A copy of DeSantis' statement is enclosed and should be considered Exhibit K. Ronald Storey's statement should be considered as Exhibit L. Please make the necessary corrections to your copy of the report.

Sincerely,

Albert Davis
