Mr. Carl Krammerer  
Director  
Office of Congressional Affairs  
Nuclear Regulatory Commission  
1717 H Street, N.W.  
Washington, D.C. 20505

Dear Mr. Krammerer:

Enclosed is a copy of a note and a GPU newsletter which I received from Mr. Clifford P. Smith.

You will please note that Mr. Smith is concerned that regulatory action has unnecessarily slowed the cleanup of Three Mile Island. It would be appreciated if you could send me a current statement on the Three Mile Island situation so that I may respond to Mr. Smith.

Thank you for your attention to this matter.

Yours very truly,
