Gentlemen:

This refers to the telephone conversation of March 6, 1981, between you and Mr. D. G. Wiedeman of my staff regarding arrangements for a SALP (Systematic Appraisal of Licensee Performance) review and enforcement conference between members of our respective organizations. The meeting is to be held at the USNRC Region III office on April 1, 1981, at 11:00 a.m. CST.

The SALP review and discussion of the results of our special inspection conducted December 16-17, 1980, your proposed corrective action, and associated enforcement options available to the NRC will be the primary topics of discussion.

If you have any questions related to this meeting, I will gladly discuss them with you.

Sincerely,

for James G. Keppler
Director
