PROPOSED BULE PR-73 (58)  
(45 FR 81060)

*Advance notice to Governors*

Mr. John F. Ahearne  
Chairman  
U. S. Nuclear Regulatory Commission  
Washington, D. C. 20555

Dear Mr. Ahearne:

This is in response to your January 16, 1981 letter informing me of the proposed amendments to the regulation which require the advance notification to State Governors of shipments of spent fuel and other radioactive wastes within or through their respective States.

I concur with the advance notification concept and the provisions for protection of information from unauthorized disclosure.

Your bringing this matter to my attention and allowing me the opportunity to respond is very much appreciated.

Sincerely,

*Harry Hughes*  
Governor
