Gentlemen:

This refers to the meeting held at this office on February 19, 1981, between Region IV personnel and members of the Omaha Public Power District staff. A summary of the items discussed is contained in the enclosed inspection report.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you (or your contractors) believe to be proprietary, it is necessary that you make a written application within 25 days of the date of this letter to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons on the basis of which it is claimed that the information is proprietary, and should be prepared so that proprietary information identified in the application is contained in a separate part of the document. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.

Should you have any questions concerning this meeting, we will be pleased to discuss them with you.

Sincerely,

*G. L. Madsen*  
G. L. Madsen, Chief  
Reactor Projects Branch
