Gentlemen:

The two referenced letters have tried to correct the distribution problem associated with correspondence directed to Calvert Cliffs from the Office of Nuclear Reactor Regulation under to title of, "All Power Reactor Licensees".

Personnel and organizational changes make it imperative that all pertinent and timely correspondence from you office be received by appropriate plant supervisors for their prompt attention and action.

Attached is an updated service list for Baltimore Gas and Electric Company. Please see that all old service lists are destroyed and replaced with copies of the attached list.

Sincerely yours,

A handwritten signature in black ink, appearing to read "R. E. Denton".
