Gentlemen:

This letter is in comment on the proposed rule concerning
Expediting the NRC Hearing Process (10 CFR, Part 2).

This office finds no objection to the proposed schedule as
presented or the changes in the Rules of Practice as long as
organizations such as the Ohio Department of Health are kept
informed on a timely basis of the status of such proceedings
as they have been in the past. Such notification provides
this office adequate time to make its views known.

We welcome the opportunity to comment on the proposed rule
action.

Sincerely,
