MEMORANDUM FOR: E. Kevin Cornell  
Deputy Executive Director for Operations

FROM: Myrna Steele, Deputy Director  
Division of Technical Information  
and Document Control

SUBJECT: DIFFERING PROFESSIONAL OPINION ON THE REDIRECTION OF  
THE DOCUMENT CONTROL SYSTEM

On March 11, 1981 my statement of a differing professional opinion on the redirection of the Document Control System was forwarded to you by Daniel J. Donoghue, Director, Office of Administration. Manual Chapter NRC-4125, "Differing Professional Opinions," Appendix Section G.2.c states that

If transferred to another office for resolution, the differing professional opinion must be assigned to the responsible program manager within 15 days after its submission by the originator. The responsible manager will incorporate the statement of differing professional opinion into the organization's normal work tracking system and, .... The responsible manager will also inform the originator of other differing professional opinions received that are relevant to that submitted by the originator.

May I please have evidence that my differing professional opinion has been received and assigned to the responsible program manager and that it has been incorporated into the EDO's tracking system. I also need to know to whom my opinion has been assigned.

If other opinions have been received that are relevant to mine, I would also like to receive those immediately.

Original Signed By  
Myrna Steele
