The Honorable Victor Atiyeh
Governor of Oregon
Salem, Oregon 97310

Dear Governor Atiyeh:

Thank you for your note of March 11th and your kind comments on the NRC participation in the recent Trojan emergency drill.

I believe that the exercise was a most valuable learning experience for all of the participants and will clearly enhance our ability to deal effectively with any future nuclear event.

I want to note particularly the great value of your own vigorous participation in the drill. The much greater control and ability to act effectively that resulted from your participation and from our direct communications was very clear to me at the Washington end.

Your assistance and cooperation and that of the Oregon Department of Energy is very much appreciated and I thank you for them.

Sincerely,

Joseph M. Hendrie
