Mr. Robert L. Tedesco  
Assistant Director of Licensing  
Division of Licensing  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555

Dear Mr. Tedesco:

The University of Lowell proposes that our Reactor Facility "Security Plan for Protection of Special Nuclear Material" be revised by replacing page 12 with the enclosed revised page 12. These changes are the result of discussions with your staff and are designed to further clarify the intentions of the plan and to enhance its implementation.

If you have any questions, please contact me directly.

Sincerely yours,

*Thomas J. Wallace*

Thomas J. Wallace
