MEMORANDUM FOR: HFEB Members

FROM: D. Tondi, Section Leader, Human Factors Engineering Branch,  
Division of Human Factors Safety

S. H. Weiss, Section Leader, Human Factors Engineering  
Branch, Division of Human Factors Safety

SUBJECT: PREPARATION OF RESPONSE TO COMMENT ON NUREG-0659

At this time, comments on NUREG-0659 have been received from Kinton, Inc., and Lund Consulting. We are committed to respond to these comments at the April 22 and 24 meetings. (Comments received through Wednesday, April 15 will also be responded to at these meetings.) The following assignments for preparing responses to the Kinton and Lund comments are made:

1. Kinton Comments - Through Conclusion 3.  
Lead: L. Beltracchi  
Support: R. Eckenrode

NOTE: These comments should be discussed with personnel from the P&TR and OL Branches.

2. Kinton Comments - Conclusion 4  
Lead V. Moore

NOTE: This comment touches on Commission/DHFS policy - i.e., how long will the control room design review process last. The comment should be addressed by HFEB management.

3. Lund Comments - Comments 1, 2 and 5  
Lead: L. Beltracchi  
Support: R. Eckenrode

NOTE: Comments 2 and 5 are similar to some of the Kinton comments, and the responses can be integrated. The responses should be discussed with P&TRB and OLB personnel.

4. Lund Comments - Comments 3 and 4

Lead: R. Froelich  
Support: BTI
