CORRECTION OF ERROR IN APPLICANT'S RESPONSE TO NRC
STAFF MOTION TO COMPEL ANSWERS TO INTERROGATORIES

The following correction should be made on page 2 of the Applicant's Response to NRC Staff Motion to Compel Answers to Interrogatories filed on April 10, 1981:

In the first paragraph (on page 2), the second sentence beginning with "At the time these interrogatories were propounded..." should be replaced with the following:

"At the time these Interrogatories were propounded, Applicant may have orally notified the NRC Staff that it was considering alternative designs for the service water structure, but had not indicated that the driven pile design had been scrapped."

The aforementioned change is necessary for accuracy, but has no effect on the arguments in the balance of the response to the Staff's Motion.

Respectfully Submitted,

James E. Brunner
