

OFFICE OF THE
CHAIRMAN

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555

April 3, 1981

COMMISSION
CORRESPONDENCE

Mr. Edwin L. Harper
Assistant to the President
and Deputy Director
Office of Management and Budget
Washington, D.C. 20503

Dear Mr. Harper:

This is in reply to your March 19, 1981 letter regarding your request that we make Jay Maynard available to the Office of Federal Procurement Policy to work on legislative changes needed to establish a uniform system of procurement.

I understand that Bill Dircks, our Executive Director, and Donald E. Sowle have discussed the loan and have reached agreement on Mr. Maynard's detail to OMB.

I appreciate your acknowledging our very difficult personnel resources problem here at the Commission, but because of the importance attached to the work to be done by the Office of Federal Procurement Policy and the need for reforms in this area, we agree that the best interests of the government would be served by his short-term detail to OMB.

Sincerely,

Joseph M. Hendrie
Chairman
