Docket No. 50-409

Dairyland Power Cooperative
ATTN: Mr. F. W. Linder
General Manager
2615 East Avenue - South
La Crosse, WI 54601

Gentlemen:

In reference to our letter of March 1, 1979, this letter is to provide update information concerning admittance of Region III personnel to your facilities.

Enclosure 1 indicates Region III personnel for whom permanent non-employee, no escort required picture badges, as authorized by 10 CFR 73.55(d)(5), are requested. Region III personnel listed in Enclosure 2 are requested to be badged for unescorted access in the protected area only. The information contained in the enclosures is effective upon receipt.

If you have any questions concerning this matter, we will be happy to discuss them with you.

Sincerely,

James G. Keppler
Director

ACCESS LIST

Site: LACBWR

Date: April 9, 1981

The below listed individuals are likely to visit your facilities, on an announced or unannounced basis at any time, day or night, as frequently as two or more times per year, and are required to be provided permanent non-employee, no escort required picture badges as authorized by 10 CFR 73.55(d)(5). Consistent with normal escort requirements, these individuals may act as escort for other NRC personnel, consultants and contractors. These individuals shall be afforded access to protected and vital areas consistent with the requirements of your local procedures. (Note: Those individuals marked with an asterisk * require access only to selected vital areas.)

As indicated below, a "Q" access authorization is based on a full-field investigation conducted by the Civil Service Commission, the Federal Bureau of Investigation or another U.S. Government agency which conducts personnel security investigations. The "L" clearance is based on a National Agency Check conducted by the Civil Service Commission.

ACCESS LIST

Site: LACBWR

Date: April 9, 1981

The below listed personnel may visit your facilities on an announced or unannounced basis at any time, day or night. After they have presented official identification, they are to be processed into your facility in the same manner as a non-regular employee. They are to be badged for unescorted access to the protected area. They shall be afforded access according to your procedures, without any delays other than those normally involved with entrance search and personal identification and registration.

As indicated below, a "Q" access authorization is based on a full-field investigation conducted by the Civil Service Commission, the Federal Bureau of Investigation or another U.S. Government agency which conducts personnel security investigations. The "L" clearance is based on a National Agency Check conducted by the Civil Service Commission.
