

Docket No. 50-201

JAN 28 1981

Mr. D. D. Wodrich, Program Director
 Waste Technology
 Rockwell Hanford Operations
 Energy Systems Group
 P.O. Box 800
 Richland, Washington 99352

Dear Mr. Wodrich:

Thank you for the December 1980 monthly report transmitted with your letter dated January 19, 1981 (#12,545 R27). It is my understanding, based on a telephone conversation with Mr. R. E. Smith of your staff on January 27, 1981, that Rockwell has now received a copy of our written Stop Work Order as transmitted to the Richland Operations Office with our letter of December 19, 1980. Decision on the future of the program remains with the Commission, and I will continue to keep Mr. Smith advised of the status of Commission action on this matter.

Sincerely,

A handwritten signature in cursive script that reads "Charles J. Haughney".
