Dear Mr. Nixon:

Please refer to our discussion of March 12, 1981 as to the radon and thoron concentrations at the boundary of the West Chicago disposal area.

We have continued the measurements reported to you in the letter transmitting data furnished to the EPA. The data collected from March 5 to April 2 is tabulated on the attached page.

If there is additional information you require, please let me know.

Sincerely,

W. J. Shelley, Vice-President  
Nuclear Licensing and Regulation
