Harold R. Denton, Director
Office of Nuclear Reactor Regulation
United States Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Sir:

Three Mile Island Nuclear Station, Unit 2 (TMI-2)
Operating License No. DPR-73
Docket No. 50-320
Special Panel Report Finding-
Radioactive Materials Handling Procedures

In our letter LL2-81-0054 from R. C. Arnold to H. R. Denton, dated February 24, 1981, we informed you that the Radioactive Material Handling Procedure would be implemented by April 30, 1981. This letter is intended to update the status of this commitment. The procedure has been approved by Metropolitan Edison, however, due to time for instruction and training, the procedure has not been fully implemented.

Implementation will be completed by June 1, 1981. We have informed Mr. M. Shanbaky of the TMI Program Office onsite of this delay.

Sincerely,

RCA
