Mr. Ross Scarano
U.S. Nuclear Regulatory Commission
Uranium Recovery Licensing Branch
7915 Eastern Avenue
Silver Spring, Maryland 20910

Dear Mr. Scarano:

Subject: Minutes of DOE/NRC Meeting of February 20, 1981, Regarding
Implementation of the Uranium Mill Tailings Remedial Action
Program

We have reviewed your draft memorandum recording the agreements reached at the subject meeting. Your memorandum is satisfactory to us, subject to the following changes, as discussed between D. Groelsema and W. Shaffer on April 13, 1981.

- o Item 2, delete the words "and agreed" at the end of line 3.
- o Item 4, line 3, delete "Remedial Action Plan (RAP)" and replace with "plans for remedial actions."

We appreciate your providing a record of the subject meeting.

Sincerely,

Robert W. Ramsey, Jr.
Program Manager
Remedial Action Program
Nuclear Waste Management Programs
Office of Nuclear Energy
