APR 10 1981

MEMORANDUM FOR: Mr. Steve Scott, Chief of Document Management Branch,
Division of Technical Information and Document
Control

FROM: Mr. A. Schwencer, Chief of Licensing Branch No. 2,
Division of Licensing

SUBJECT: JOSEPH M. FARLEY NUCLEAR PLANT - UNIT 2
NUREG-0588 - SUBMITTAL OF WESTINGHOUSE PROPRIETARY
INFORMATION

References: 1) Alabama Power Company's Response and Revised Responses to
NUREG 0588 Dated September 12, 1980 (Proprietary Version);
September 18, 1980 (Non-Proprietary Version);
October 30, 1980 (Proprietary Version)

The management of the Joseph M. Farley inadvertently submitted in the non-proprietary version of reference (1) information which is considered Westinghouse proprietary. Revised worksheets have been submitted to correct this discrepancy. Enclosure 1 contains the revised sheets for the proprietary version and Enclosure 2 contains the revised sheets for the non-proprietary version. Although the document involved was distributed in September, 1980 and the information may already be compromised, it is requested that we take appropriate steps to protect the proprietary information. The enclosures are forwarded to you for subsequent dissemination.
