WITHDRAWAL OF NOTICES OF DEPOSITIONS

The Cities of Anaheim and Riverside, California ("Cities"), hereby withdraw the Notices of Taking of Depositions of Barton W. Shackelford and Frederick W. Mielke, both Notices dated May 12, 1981. While Cities believe that the burden of developing a more extensive factual record relating to the pending Joint Motion of PG&E and Staff, insofar as the Board might have desired a fuller record, has always rested squarely on the movants, Cities noticed the depositions of Messrs. Shackelford and Mielke in the belief that a more complete record could only further strengthen Cities' position.

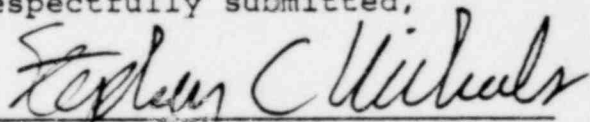

In view of the Board's mailgram of May 18, 1981, to all parties stating that the record is adequate, Cities perceive no purpose in conducting the noticed depositions at this time. Therefore, Cities withdraw the notices of deposition referred to above.
