Re: License No. R-62  
Docket No. 50-124

Dear Sir:

Enclosed is a copy of a proposed change to License No. R-62, Appendix A, Technical Specifications which is submitted in accordance with 10CFR 50.59 (c) and 50.90. These changes do not constitute an unreviewed safety question, but changes to the Tech. Specs. are required prior to us modifying the reactor systems as outlined in the enclosed document.

Your timely review and approval of these changes will be greatly appreciated. If any questions arise during your review please contact me at (703)-961-6510.

Sincerely yours,

Alan P. Curtner  
Reactor Supervisor
