RE: Consumers Power Co - Docket No. 50-155
Big Rock Point Nuclear Plant

Gentlepersons:

Enclosed are five copies each of Intervenor's Crista-Maria, Mills and Bier (1) request for continuance and (2) response to licensee's request for issuance of deposition subpoena. Intervenor's have previously received a waiver of the twenty copy rule.

My appearance herein was originally filed before the Appeal Board so I have not been receiving copies of documents issued by the Licensing Board. I would appreciate being added to the mailing list, receiving copies of all documents issued by the Licensing Board since your Memorandum and Order on NEPA review dated September 12, 1981. Thank you.

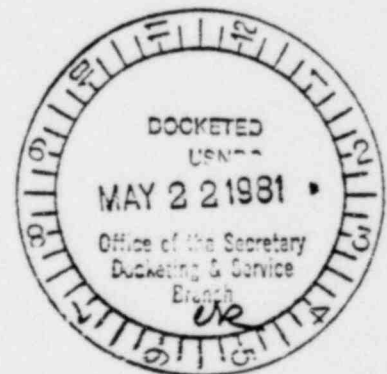

Respectfully,

Herbert Semmel
Attorney for
Intervenor's Crista-Maria,
Mills and Bier
