Gentlemen:

Subject: Inspection 30-1883/81-01

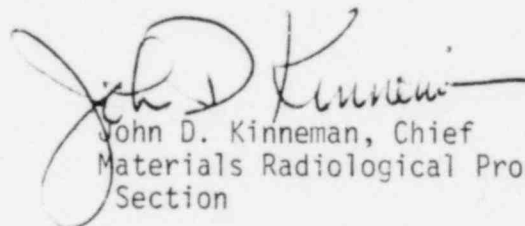

This refers to your letter dated March 11, 1981, in response to our letter dated March 4, 1981.

Thank you for informing us of the corrective and preventive actions documented in your letter. These actions will be examined during a future inspection of your licensed program.

From a telephone discussion between Mr. P. Jerman and Dr. K. Romberg on April 6, 1981, it is our understanding that Dr. Romberg will conduct periodic audits of your Nuclear Medicine Program to avoid further violations. We will review this matter during our next inspection.

Your cooperation with us is appreciated.

Sincerely,

John D. Kinneman, Chief
Materials Radiological Protection
Section
