Report - Auxiliary Feedwater Pumps

Gentlemen:

Enclosed are four (4) copies of a report on the "Auxiliary Feedwater Pumps" as requested by your letter of October 11, 1979. This report describes the test results and conclusions of the tests performed on the Auxiliary Feedwater Pumps after refueling to assure the long term operability of the pumps.

We believe that the Auxiliary Feedwater Pumps are fully capable of performing their design function and will provide long term reliable operation if and when required.

If you have any questions, please contact my office.

Very truly yours,

J. J. Carey  
Vice President, Nuclear
