

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

February 5, 1981

MEMORANDUM FOR: Harold R. Denton, Director
Nuclear Reactor Regulation

FROM: James P. Murray
Director and Chief Counsel
Rulemaking and Enforcement Division

SUBJECT: REQUEST OF THE ROCKFORD LEAGUE OF WOMEN VOTERS PURSUANT TO
10 CFR 2.206 and 2.202 RE: BYRON (COMMONWEALTH EDISON
COMPANY) OUTSTANDING SAFETY PROBLEMS

On November 21, 1980, the Rockford League of Women Voters (League) made a request pursuant to 10 CFR 2.206 for consideration of a number of alleged safety problems at the Byron facility. On December 22, 1980, you denied the portion of the League's request which sought immediate agency action.

Enclosed is a January 27, 1981 letter to the Commissioners from the League's counsel, Myron M. Cherry, which is stated to contain supplemental information.

The letter has been referred to the Staff for action. Please consider this additional information in preparing your final decision under section 2.206 on this matter. No acknowledgement appears warranted at this time as your final decision will serve this purpose.

A handwritten signature in dark ink, appearing to read "James P. Murray".
