Dear Mr. Helfrich:

Enclosed for your review is a May 18, 1981 letter from General Electric Company requesting revisions to license application XCOMO460 for the export of replacement components to India for use in the Tarapur Nuclear Power Stations. General Electric requests the list of components proposed for export be revised as indicated in the attachment. This new listing of components replaces all of the items listed on the original application. The revised value of the proposed exports is \$2,232,740.

Sincerely,

James B. Devine
