SUBJECT: REMOVAL OF PROPRIETARY INFORMATION DESIGNATION  
TO EMERGENCY PLAN, BABCOCK & WILCOX COMPANY,  
DOCKET NO. 70-1201, MATERIALS LICENSE NO.  
SNM-1168

By letter dated April 16, 1981, Mr. D. W. Zeff, Manager, Health-Safety and Licensing for the Nuclear Materials and Manufacturing Division of the Babcock & Wilcox Company (B&W) was notified his request for withholding his Emergency Plan (submitted as Section VI of their renewal application dated February 27, 1981) did not fall within Section 2.790(d)(1) of 10 CFR Part 2. If he did not respond to the notice within 20 days, the Emergency Plan would be placed in the Commission's Public Document Room.

Mr. Zeff was contacted by phone on May 11, 1981 and asked whether he intends to respond to our notice. He stated that he could not supply the required justification for withholding the information from public disclosure and did not intend to respond to our notice. Therefore, the proprietary information designation should be removed from the B&W "Emergency Plan."
