SUA-1396

Ogle Petroleum, Inc.  
ATTN: Mr. Glenn J. Catchpole  
150 North Nichols Avenue  
Casper, Wyoming 82601

Gentlemen:

Enclosed is Source Material License No. SUA-1396. This license is being issued subsequent to the notice of availability by the Environmental Protection Agency on April 24, 1981, of the Nuclear Regulatory Commission's Final Environmental Statement (FES) related to the operation of your uranium recovery facility.

Please note that at least six weeks prior to the anticipated start-up of operations, you are required by License Condition No. 31 to notify the NRC of such in writing in order that the Commission's staff can conduct an onsite inspection to review the development and implementation of administrative and operating procedures and monitoring programs.

Please note that this license is subject to revision upon full implementation of the "Uranium Mill Licensing Regulations" published in the Federal Register (Vol. 45, No. 194) on October 3, 1980.
