Re: Docket No. 40-8771

Dear Mr. Linehan:

I have reviewed your letter dated March 27, 1981 that requests additional information for "Supportive Information for Application for Source Material License (June 1980)." APS-WAC agree to transmit to you the information that you have requested when it becomes available. However, due to the type of data that you have requested, we wish to indicate that we cannot respond by May 4, 1981.

We are currently preparing answers to your questions. When our response is ready, it will be combined and submitted with our response to Mr. Hubert J. Miller's letter dated November 21, 1980. We anticipate that this response will be submitted within the next few weeks.

If you have any questions concerning the timing of our response, please call.

Sincerely,

Bob Ward
