Dear Mr. Miller:

This letter is to officially inform you that Dr. Albert E. Bolon will replace Dr. Doyle Ray Edwards as Director of the University of Missouri-Rolla Reactor Facility effective Monday, June 8, 1981.

Dr. Bolon has been a member of the Nuclear Engineering faculty at UMR for the past 16 years. He has served in the past on the campus Isotopes and Reactor Safety Committee, including a number of years as chairman of the committee. Thus, he is quite familiar with the UMR Reactor, its staff and its operation.

Sincerely,

Don L. Warner
Dean
