Dear Ms. Rovey:

Enclosed a copy of Conoco's responses to the first round comments on the Sand Rock project with the cover letter dated May 12, 1981, from T. Quigley of Conoco, Inc. to Tom Fleming, U.S. NRC. Also enclosed for your direct reference is a copy of the first round comments sent to Conoco in the April 13, 1981 letter from Dan Martin to T. Quigley.

As discussed via phone between yourself and Tom Fleming of my staff, we request that you provide early, advance submittals of all or any portion of your draft report for our review and comment. We believe this procedure will help assure that the complete draft report to be submitted by June 20, 1981, will be thorough and of high quality.

Should you have any question on these matters, please contact Tom Fleming of my staff at (301) 427-4542.

Sincerely,

Original Signed by:
