Attention: Mr. R. H. Engelken, Director

Dear Sir:

Subject: Docket No. 50-206
IE Bulletin 80-21
Valve Yokes Supplied by Malcolm Foundary Co., Inc.
San Onofre Nuclear Generating Station
Unit 1

Reference: Letter, J. G. Haynes (SCE) to R. H. Engelken, (NRC), Valve Yokes
Supplied by Malcolm Foundary Co., Inc., December 10, 1980

In the referenced letter, SCE committed to submit a complete
response to IE Bulletin 80-21 prior to return to power from this outage.

Suppliers of active safety-related valves for San Onofre Unit 1 have
been contacted. It has been determined that only Anchor Darling has ever used
castings made by Malcolm Foundary. Anchor Darling has determined that none of
the valves supplied by them for San Onofre Unit 1 had parts cast by Malcolm
Foundary.

If you have any questions, please let me know.

Sincerely,
JG Haynes
