Gentlemen:

Subject: Meeting 50-333/81-11

This refers to the meeting held on April 29, 1981 in the Region I Office, King of Prussia, Pennsylvania, to discuss the NRC findings regarding the replacement of the G safety relief valve at the J.A. Fitzpatrick facility. In attendance at this meeting were I and members of my staff and Messrs. Boston, Bayne, Klausman, Pasternak and other members of your staff. The specific items discussed at this meeting and the meeting results are described in the Office of Inspection and Enforcement Meeting Report which is enclosed with this letter. Enforcement action regarding this matter is pending and will be forwarded under separate correspondence.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you (or your contractors) believe to exempt from disclosure under 10 CFR 9.5(a)(4), it is necessary that you (a) notify this office by telephone within ten (10) days from the date of this letter of your intention to file a request for withholding; and (b) submit within 25 days from the date of this letter a written application to this office to withhold such information. Consistent with section 2.790(b)(1), any such application must be accompanied by an affidavit executed by the owner of the information which identifies the document or part sought to be withheld, and which contains a full statement of the reasons on the basis which it is claimed that the information should be withheld from public disclosure. This section further requires the statement to address with specificity the considerations listed in 10 CFR 2.790(b)(4). The information sought to be withheld shall be incorporated as far as possible into a separate part of the affidavit. If we do not hear from you in this regard within the specified periods noted above, the report will be placed in the Public Document Room. The telephone notification of your intent to
