Gentlemen:

Subject: Report Nos. 50-327/80-43 and 50-328/80-21

This refers to your letter of February 27, 1981, informing us of steps you have taken to correct the violation concerning activities under your NRC Construction Permit No. CPPR-73 brought to your attention in our letter of January 26, 1981.

With regard to item 6 of the second violation for failure to follow procedure during the Unit 2 hydrostatic test, we have again reviewed this matter. Your response regarding item 6 presented no new information to change the fundamental inspection finding. We will examine your corrective actions and plans during subsequent inspections.

We appreciate your cooperation with us.

Sincerely,

James P. O'Reilly
