IN RESPONSE REFER
TO FOIA-81-211

Dear Mr. Rosenberg:

This is in response to your letter dated May 26, 1981, in which you requested, pursuant to the Freedom of Information Act (FOIA), two categories of information pertaining to contract No. NRC-10-78-580. This confirms the information relayed during telephone conversations on June 9 and 15, 1981, between Mary Ellen Marnien and Linda Robinson.

In response to previous FOIA requests, NRC has already made the contract, modifications, and the nonproprietary version of the technical proposal available for public inspection and copying at the NRC Public Document Room (PDR), 1717 H Street, N.W., Washington, D.C. 20555, in folders FOIA-79-566 and FOIA-81-13. Copies of the six most recent progress reports were recently placed in the PDR as part of the solicitation package under Request for Proposal No. RS-ADM-82-536. In light of this information, the scope of your request was narrowed to those records placed in the PDR. Ms. Marnien stated that she will call the PDR to request copies of the records.

We are closing our file on your request as of this date.

Sincerely,

J.M. Felton, Director
Division of Rules and Records
Office of Administration
