

APPENDIX A

NOTICE OF VIOLATION

Department of the Navy
U. S. Marine Corps
Marine Logistics Base
Barstow, California 92311

License No. 04-01429-03

As a result of the inspection conducted on May 27, 1981, and in accordance with the Interim Enforcement Policy, 45 FR 66754 (October 7, 1980) the following violation was identified:

- A. License Condition 15 requires that the licensee shall possess and use licensed material in accordance with statements, representations and procedures contained in the application dated August 17, 1977. Section 208 of CO P 4400.21 which is incorporated into the license application by reference requires that the Radiological Safety Officer make a quarterly audit of licensed activities.

Contrary to the above requirement, at the time of the inspection, a quarterly audit had not been conducted by the RSO since the last inspection in May of 1978.

This is a Severity Level V Violation (Supplement VII).

Pursuant to the provisions of 10 CFR 2.201, the U. S. Marine Corps Logistics Base, Barstow, California, is hereby required to submit to this office within thirty days of the date of this Notice, a written statement or explanation in reply, including: (1) the corrective steps which have been taken and the results achieved; (2) corrective steps which will be taken to avoid further items of noncompliance; and (3) the date when full compliance will be achieved. Consideration may be given to extending your response for good cause shown.
