

RESOLUTION NO. 1615

A RESOLUTION OF THE CITY OF SAN MARINO FOR
THE LICENSING OF SAN ONOFRE NUCLEAR GENERATING
STATION UNITS II AND III

WHEREAS, the City of San Marino is virtually concerned that the economic, environmental and social well-being of the State of California be maintained; and

WHEREAS, an adequate supply of energy is critical to meeting California's economic and social needs while preserving the environmental gains of the past decade; and

WHEREAS, this nation's continued overdependence on foreign oil has caused major adverse economic impacts; and

WHEREAS, there is a probability that instability in the Middle East will, at some near future time, result in reduced supplies of oil, thereby causing further social and economic chaos here at home; and

WHEREAS, regulatory delays in the planning and licensing of needed energy facilities are costly to the consumer, damaging to the environment, and result in greater importation of foreign oil;

NOW, THEREFORE, BE IT RESOLVED that the City of San Marino supports:

1. licensing San Onofre Units II and III nuclear power plants;
2. developing alternative forms of energy such as solar, geothermal and wind;
3. a continued commitment to conservation of our energy resources.

NOW, THEREFORE, BE IT RESOLVED that the City Clerk shall certify and attest to the adoption of this resolution.

PASSED, APPROVED AND ADOPTED this 10th day of June, 1981.

Mayor of the City of San Marino
