In the Matter of
Union Electric Company
(Callaway Plant, Unit 1)
Docket No. STN 50-483 OL

Dear Mr. Chackes:

The Atomic Safety and Licensing Board's Special Pre-hearing Conference Order of April 21, 1981 provided that any objections to interrogatories shall be served within 14 days of service of the interrogatories. Because of the delay in the receipt of your first round discovery requests, we have experienced a similar delay in the filing of objections.

I invite you to telephone me to discuss the potential for reaching an accommodation with respect to the enclosed objection to parts of Interrogatory 8. In my absence, please ask for Mr. Galen.

Sincerely,

Thomas A. Baxter
