

RESOLUTION NO. 5544

A RESOLUTION OF THE CITY OF SOUTH PASADENA
FOR THE LICENSING OF SAN ONOFRE NUCLEAR
GENERATING STATION UNITS II AND III

WHEREAS, the City of South Pasadena is virtually concerned that the economic, environmental and social well-being of the State of California be maintained; and

WHEREAS, an adequate supply of energy is critical to meeting California's economic and social needs while preserving the environmental gains of the past decade; and

WHEREAS, this nation's continued overdependence on foreign oil has caused major adverse economic impacts; and

WHEREAS, there is a probability that instability in the Middle East will, at some near future time, result in reduced supplies of oil, thereby causing further social and economic chaos here at home; and

WHEREAS, regulatory delays in the planning and licensing of needed energy facilities are costly to the consumer, damaging to the environment, and result in greater importation of foreign oil;

NOW THEREFORE BE IT RESOLVED, that the City of South Pasadena supports: 1. licensing San Onofre Units II and III nuclear power plants; 2. developing alternative forms of energy such as, solar, geothermal and wind; 3. a continued commitment to conservation of our energy resources.

NOW THEREFORE BE IT FURTHER RESOLVED, that the City Clerk shall certify and attest to the adoption of this resolution and shall cause same to be published in the South Pasadena Review, a newspaper of general circulation in the City of South Pasadena.

PASSED, APPROVED AND ADOPTED this 17th day of June, 1981.

Samuel G. Knowles
Mayor of the City of South Pasadena
