In the Matter of
CONSUMERS POWER COMPANY
(Midland Plant, Units 1 and 2)
Docket Nos. 50-329 & 50-330 OM & OL

Dear Licensing Board Members:

On June 8, 1981, the NRC Staff filed the "Testimony of Darl S. Hood With Respect to a Licensing Board Question Concerning Continued Construction". Since that filing, there have been further developments with respect to the installation of 20 permanent back-up interceptor wells. Accordingly, enclosed is a supplement to Mr. Hood's testimony which addresses these recent developments.

Sincerely,

Ellen M Brown
