Gentlemen:

This letter is to confirm a telephone call from my office to your office (Ms. Rhonda Thomason) on May 28, 1981, in which Mrs. Reba M. Diggs of my staff suggested that your Company stop payment on a May 10, 1981 check for \$4,400.00 and consider the issuance of a new check. We understand that the check contained a vendor reference number 803341 and was to have been in payment of a May 10, 1981 application for a temporary change to the operating licenses for Farley Unit Nos. 1 and 2. We have had the USNRC records checked, but they do not reflect that a check was received.

If your records show that the check has been paid, please notify us immediately.

Sincerely,

Original Signed by
 Wm. O. Miller
