Dr. Aurel Goodwin, Ph.D
Mine Safety and Health Administration
4015 Wilson Boulevard
Arlington, VA 22203

Dear Dr. Goodwin:

Enclosed for your information is a copy of the Safety Evaluation Report which was prepared by the U.S. NRC in support of the issuance of Source Material License SUA-1396 for the Ogle Petroleum, Inc. commercial scale in situ leach uranium mine and recovery plant at Bison Basin in Fremont County, Wyoming. This report is being provided to you in accordance with the Memorandum of Understanding between MSHA and U.S. NRC dated January 4, 1980.

Future reports on other uranium recovery facilities will also be sent to you unless you desire to designate another individual at MSHA. If you have any questions, regarding these reports, please contact me at 427-4103.

Sincerely,

Original signed by

Harry J. Pettengill, Section Leader
Operating Facilities Section II
Uranium Recovery Licensing Branch
Division of Waste Management
