

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

June 17, 1981

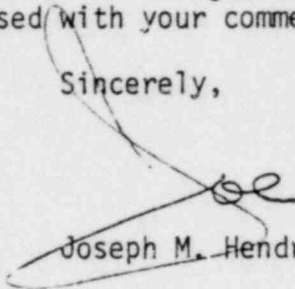

Dr. Norman C. Rasmussen  
Department of Nuclear Engineering  
Massachusetts Institute of Technology  
77 Massachusetts Avenue  
Room 24-102  
Cambridge, Massachusetts 02139

Dear Norm:

Thanks for your letter. I am glad the discussions of our reactor safety research programs were productive.

I shall pass copies of your letter on to Mr. Minogue and the staff members involved. They will be pleased with your comments.

Sincerely,

Joseph M. Hendrie
