Dear Dr. Goodwin:

Enclosed for your information is a copy of the Safety Evaluation Report which was prepared by the U.S. NRC in support of the issuance of Source Material License SUA-1387 for Kerr-McGee Nuclear Corporation's South Powder River Basin "Q" Sand R&D In Situ Project located in Converse County, Wyoming. This report is being provided to you in accordance with the Memorandum of Understanding between MSHA and U.S. NRC dated January 4, 1980.

JBMartin

Future reports on other mills will also be sent to you unless you desire to designate another individual at MSHA. If you have any questions, regarding these reports, please contact me at 427-4103.

Sincerely,

Original signed by
Harry J. Pettengill, Leader
Operating Facilities Section II
Uranium Recovery Licensing Branch
Division of Waste Management
